Weed Management for Small Acreages

Join UC Cooperative Extension for a *FREE* online workshop

Tuesday, May 25, 2021

6:00 – 7:30 PM

Topics Include:

- Poisonous Plants
- Yellow Starthistle Control
- Herbicide Resistant Weeds
- Weed ID 101

Bonus Weed ID Session!

Submit a picture of a weed and learn the name during the workshop!

Register at: <http://ucanr.edu/weed-webinar>

Tips for submitting photos:

- Include something that shows scale (ruler, pencil, coin)
- Make sure the photo is clear (not blurry)
- Include the flowering structure and a leaf (2 pictures)
- Include a short description of location and plant characteristics

For more information contact Julie at (661) 868-6219 or jafinzel@ucanr.edu.

Weed Management for Small Acreages

Tuesday, May 25, 2021

6:00 – 7:30 PM

- 6:00 – 6:05** **Introductions**
- 6:05 – 6:20** **Common Weeds in Irrigated Pastures**
Julie Finzel, UCCE Kern, Tulare, and Kings Counties
 Knowing the name of the weed you are concerned about is the first step! Learn about common weeds in irrigated pastures and review online and phone app weed ID tools.
- 6:20 – 6:30** **Common Rangeland Weeds**
Rebecca Ozeran, UCCE Fresno and Madera Counties
 Common weeds found on rangelands will be discussed along with online resources for reviewing weed control options.
- 6:30 – 6:45** **Poisonous Plants of California**
Brooke Latack, UCCE Imperial, San Diego, and San Bernardino Counties
 Review common poisonous plants found in irrigated pastures, rangelands, and contaminated hay.
- 6:45 – 7:00** **Integrated Pest Management for Yellow Starthistle**
Devii Rao, UCCE San Benito, Monterey, and Santa Cruz Counties
 Learn about effective control methods, including herbicide, mowing, grazing
- 7:00 – 7:15** **Herbicide Resistant Weeds in Irrigated Pastures**
Theresa Becchetti, UCCE San Joaquin and Stanislaus Counties
 Identify common herbicide resistant weeds in irrigated pastures and discuss control options
- 7:15 – 7:30** **Name that Weed!**
Jose Dias
 Submit your photo and learn the name of that problem weed!
