Who is your primary customer and therefore the group you should solicit feedback from?

Public       Other MGs       Both

What were the top 2-3 activities for your committee from July 1, 2020 – June 30, 2021?

1. Held Spring, Summer & Fall Photo contests to increase photo content in VMS Photo Album, later to be used by multiple committees.
2. Increased committee members to help with soliciting and cataloging photos thereby increasing the available photo collection by MG members.

Reviewing your committee's evaluation from last year, did you meet your goals?

Yes

What were the challenges you encountered last year besides the Covid pandemic?

An in person class on taking nature photos was being planned, but did not happen. We have an instructor lined up, Rick Brown on his property, just need to schedule a date likely in the Spring and make it happen. The activity was turned over to the Education Planning committee.

What are your goals for the upcoming year?

1. Continue collecting and cataloging photos in VMS Photo Album:
  - Collect and store photos taken by Social Media committee which were posted on Facebook. Download them and move to VMS Photo Album for future use. Plan to download photos from 2020 & 2019.
2. Upload 2022 Calendar photos to VMS Photo Album.
3. Add more categories to store photos in VMS Photo Album.

What challenges do you anticipate?

VMS stability.
