What were the top 2-3 activities for your committee from July 1, 2020 – June 30, 2021?

- 1.) I did not get COVID
- 2.) Post pandemic garden consultations in spring of 2021 picked up. Consultations were made at the following; Valley View Elementary - Rocklin, Skyridge Elementary School - Auburn, Rolling Oaks Senior Living - Rocklin, Breen School - Rocklin, & Penryn Buddhist Church for advise on creating a community garden.
- 3.) Shout out to JoAnne Weir for taking lead at Breen School, the only school to have an active garden over the summer with parent volunteer Hope Struck being the go to parent that kept the communication open with the school.
- 4.) Also a shout out to Tanya Chalfant, for taking the lead at Valley View.

Reviewing your committee's evaluation from last year, did you meet your goals?

Our goal is to advise and help School & Community Gardens but we are limited by those that request help.

What were the challenges you encountered last year besides the Covid pandemic?

Lack of follow up from those that requested help.

What are your goals for the upcoming year?

Strive to get more community outreach so the public knows we are a resource.

What challenges do you anticipate?

Just getting the public to know we are a resource.

Additional suggestions for MGPC moving forward:

Get the name on the VMS changed to School & Community Garden and get that name as an activity on the add hours menu.

*Remember to involve your committee members in this discussion.*
