

Domestic Exchange

State Exchange is looking for new members for the 2022 – 2024 year from Alameda and Contra Costa County Community Clubs. It is a county project that allows members to interact with 4-Hers from other states. It is a great opportunity for the members to see how other 4-H communities thrive. See another state and get a chance to host that state right here in California. The members build lifetime friendships. Age requirements for the project are 12 years old and up. Most funds needed to travel and host are raised through fundraising events. And families must be able to host a visiting member for a week. It is a two year commitment for the project. As we travel one year then host the next.
