

SISKIYOU STOCKMAN NEWSLETTER

Livestock and Natural Resources Program, UCCE Siskiyou

The Siskiyou County Department of Agriculture and California Department of Fish and Wildlife (CDFW) will co-host an additional technical assistance workshop for the wolf-livestock compensation grants program on Friday, April 28, 2023.

April 28, 10:00 – noon (one workshop)

Butte Valley Community Center Annex

52900 US-97, Dorris, CA, 96023

Workshop purpose: CDFW will provide an interactive forum for ranchers to receive information about the Wolf Livestock Compensation Interim Grants Program and technical assistance with the grant application process. Technical Assistance Session (Q & A) to follow an initial 1- hour presentation.
