Butterflies & Pollinators!

July 20th

Sign up for a 30 minute slot

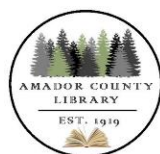

2, 2:30, 3, 3:30p.m.

This hands-on class for all ages will discuss the plants that support our local butterflies. Examine why some function as hosts for food and reproduction, while others only supply nectar. Participants will plant and take home their own mini butterfly garden and install a “puddling station” where butterflies can get a drink.

Call 209-223-6400 or stop by the library to RSVP.
