

UC Cooperative Extension **Community** **Wildfire Preparedness Workshop**

UC Cooperative Extension, Placer County Office of Emergency Services, and the City of Auburn Fire Department invite homeowners, renters, and other interested community members in Placer County for a discussion about protecting your home and community from wildfires. We will offer science-based solutions for home construction, design, and maintenance, share wildfire-related community resources available to Placer County residents, and provide an opportunity for shared, experiential learning.

Join us to learn about **home hardening, defensible space, and how these topics relate to fire insurance in California!**
