

# UCCE Master Gardener's of Glenn County Newsgram

May 2022

## Irrigation System for the Demonstration Garden

Sheila Skemp teamed up with the Capay 4-H Ornamental Horticulture project and installed a new drip irrigation system in the demonstration garden. The system is working great, pollinator plants are thriving and keeping the bees happy. Below are some pictures taken that day along with some pictures of the flowers growing in the beds. There are additional photos of that day filed in VMS.

## UCCE Master Gardener's of Glenn County Newsgram

May 2022

### Master Gardener Business

#### Monthly Meeting

Our next meeting will be on Wednesday May 25th. At 1:00 in the office in Orland.

#### Master Gardener Training Class

Training for new Master Gardeners has started. Up to 2 people from Glenn County can attend each session in person to get continuing education hours.

In May the presentations are;

May 3 Diagnosing Plant Problems with Pam Geisel

May 10 Plant Identification

Classes can be viewed using Zoom. The Zoom link to the classes will be emailed a to the Master Gardeners.

#### Upcoming Events

Corning Tuesday night market on May 3, Sue and Alyse have volunteered for this.

Lamb Derby-May 7 Willows. Bob and Don have volunteered for this event.

Friendly Garden Club Plant Sale-May7 4 to 7 PM and May 8 8 AM to 1 PM at Fairgrounds In Orland. Master Gardeners will not have a table at this event. Stop by and see what plants are for sale.

Glenn County Fair May 19 to 22-The UCCE office will have a booth at the fair for all program areas. Master Gardeners will have handouts and a banner to display. We are looking for volunteers who can staff the booth at times during the fair run. Mary Ann and Michel have volunteered to be at the booth on Saturday from 12-3.

#### Master Gardener Apparel Store

Are you interested in purchasing shirts, hats or other items with the UC Master Gardener Logo? When you sign into VMS there is a link the Master Gardener Apparel Store on the lower left side of the page. This will take you to the Lands End Master Gardener Store where you can order items.

Sue and Nancy representing Master Gardeners at the Honey Bee Hobby Day in Orland.

Does it make a difference where you buy plants? This is a picture I took at a large retail store. Buying plants at a store dedicated to selling and caring for plants might cost more but that plant has probably had better care.
