Agriculture & Natural Resources (UC ANR)  
is an equal opportunity provider.**

# Why 4-H Camp?

When it comes to providing your child with a life-changing experience, there's nothing quite like 4-H summer camp.

Camp provides the full benefits of a 4-H experience coupled with the fun and wonder of camping in the great outdoors with friends old and new. The best gift we can give our kids is to empower them with skills that will last for a lifetime, which is why parents have been sending their kids to 4-H summer camps for decades. Youth leadership development is central to the structure at camp, where youth grow and develop their leadership skills. Our youth staff is meeting now and planning all of the activities to make camp fun and engaging for all.
