The audit/peer review committee should be comprised of two or more people with at least one over 18 years of age. Committee members should not include the treasurer, relatives of the treasurer, or anyone who has authority to sign checks.

PROCEDURES FOR 4-H CLUB PEER REVIEW COMMITTEE

1. **Check each month's reconciled bank statement and cancelled checks.** If the treasurer found differences during the month, ask what was done to make corrections. Verify that two authorized members or volunteers signed all checks. Verify that the person who signed the reimbursements is not related to the treasurer.
2. **Check the ledger entries and make sure that the entries are complete and up-to-date.** Compare the ledger postings to checks, bills, receipts and deposits. If discrepancies are found, ask the treasurer to explain.
3. **Examine all voided checks.** If a voided check is not on file, verify that the check has not cleared the bank by examining the bank statement to make sure the voided check number is not listed.
4. **Total all money (cash and checks) received.** Receipts must be written for all funds collected. Verify that receipts are in numerical sequence and that all funds are listed on the ledger.
5. **Total all deposits made to the bank account.** The total should equal the total of all funds received as recorded in the ledger and receipt book.
6. **Total all money spent.** Verify that a written bill or receipt is on file for each expense. Verify that all expenses were paid by check and not in cash.
7. **Check the balance to-date.** Verify that the treasurer's total balance at the beginning of the year, plus all funds received, minus all expenditures, equals the treasurer's total balance to date.
