

Veterinary Science Project

Sign up by
Aug 10th!

A fun new project
for 4-H members in
4th-6th grades!

Interested?

Talk to your parents and ask their permission! Ask them to pick up the parent info flyer and help you register online!

Want to Sign Up?

Please visit the following link with your parents and give us a little information about yourself!

No experience with vet science?
That's OK!

Important Project Facts

- It's totally free! Just come to the meetings ready to have fun and learn!
- The project runs from September 2012 through February 2013
- If you complete the project you get a cool certificate, and if you come to every meeting you get a special prize like a stopwatch or a stethoscope!
- You can choose which project schedule you would like to do!
- This is also a great way to add to your 4-H record book and story!

Would you or your parents like more
information?

Please feel free to contact Brenna Johns with any
questions you might have.
