Dear Monterey County 4-H Alumnus,

2013 is the Centennial year for California 4-H. We have much to celebrate and would love for you to be a part of our celebrations!

The Monterey County 4-H Centennial Committee is looking to rebuild our alumni database to include the outstanding 4-H members that go back as far as the 1930s.

We are committed to collecting basic alumni information and old photographs to showcase at 4-H events. Please look for our alumni form to fill out. Follow the instructions on the form and return by U.S. mail or by email. You will not be asked for money or donations! Our goal is to find 100 alumni.

We really need your old 4-H photos! Please scan and email to our 4-H County Offices or email account below OR you can take your old photos to the 4-H county office and they will scan them for you - Just call to make sure the Program Representative is there to meet you. You can also provide information on a deceased member – just let us know.

We are also collecting stories that we will feature in various ways throughout the coming year and beyond. Would you be interested in sharing your story with a current 4-H member? We would like to arrange a phone interview if that would work best for you. Just mark the interview permission box on the form.

Lastly, we are pleased to share with you how current 4-Hers across the state are celebrating the centennial by using their head, heart, hands and health to create positive impacts in their communities. You can view profiles and stories of these amazing projects on the website <http://ca4hfoundation.org/>

If you have any questions, please feel free to contact Mrs. Lorin Lurz at 831-759-7386 or drop us a line at lhofmannlurz@ucanr.edu.

Thank you for joining our 4-H California Centennial celebration!
