Quick Break

January 2014
**Your California Tree Failure Report Program
E-Newsletter**

CTFRP Cooperators and Friends,

2013 has been a dry year in more ways than one! We now have 68 reports of failures that happened in 2013, which is a great improvement from a couple of months ago. Still, it's the third lowest year since the beginning of the program in 1987.

Many thanks to you 28 contributors who have sent in at least one report. If there are any more coming try to get them to me before Jan. 6.

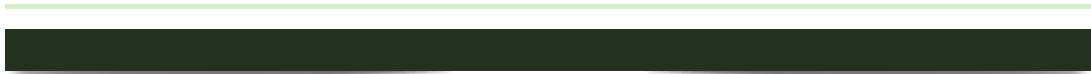

Happy New Year and looking forward to seeing 200 of you at FILOLI!
