On June 11th we will be offering 2 *identical* sessions of a class on making yogurt & jam. Please plan to join us at the one which best suits your busy schedule.

Creamy yogurt with a swirl of strawberry jam - so good together! Join us for a fun class in which we will learn how to ferment yogurt and water-bath can strawberry jam. We will cover topics such as pectin, low sugar jam, and how to make variations on a recipe. Participants will leave with a jar of yogurt and a jar of strawberry jam. Handouts with instructions and recipes will be provided to all registrants. This is also a great opportunity to bring questions for our Master Food Preservers!

Each class is limited to the first 24 registrants. Please register and pay online by June 10, 2015. Closed toe shoes are recommended. We have 'loaner' aprons if you don't bring one from home. If you have any questions, please write us at: uccemfp@ucdavis.edu
