Saturday, March 25, 2016

9:00 - 11:00 a.m.

UCCE Meeting Room,

1710 Soscol Avenue, Napa

\$5 per person, reservations suggested, seating is limited.

To Register <http://ucanr.edu/2017growtomatoes>

For questions call (707) 253-4221

Tomatoes aren't fussy at all! They just need the right place to grow, the right amount of water space and basic care. The UC Master Gardener team who will help home gardeners understand the importance of soil temperature, choices of different types of tomatoes, various support systems, and using Integrated Pest Management (IPM) to help control common tomato pests and diseases.

University of California | Agriculture and Natural Resources

It is the policy of the University of California (UC) and the UC Division of Agriculture & Natural Resources not to engage in discrimination against or harassment of any person in any of its programs or activities (Complete nondiscrimination policy statement can be found at <http://ucanr.edu/sites/anrstaff/files/215244.pdf>) Inquiries regarding ANR's nondiscrimination policies may be directed to John I. Sims, Affirmative Action Compliance Officer/Title IX Officer, University of California, Agriculture and Natural Resources, 2801 Second Street, Davis, CA 95618, (530) 750-1397.
