

Ben Murphy 17 years old.

I've been in Felton 4-H for over 8 years. Being successful in projects like Skinning & Tanning, the Swine Project, and Fair Booth Building helped build confidence in my abilities. Through Presentation Projects, public speaking at meetings, and being Club Treasurer, I am learning how to communicate more effectively to large groups. I most enjoy working Community Service projects and participating in 4-H events like the Santa Cruz County Fair. They're fun because I get to experience them with the friends I made in 4-H. I encourage everyone to join.

To meet Ben and participate in a 4-H community service blanket tying event to help benefit children of the Ronald McDonald House please come to the May 20th Fantastic Figures Festival noon – 4pm on the Library Land next to the Felton Post office.
