Private Applicators

Private Applicator (Grower) Sign-in Information Sheet

❖ Private Applicator (PA) Certificate Continuing Education

● Private Applicator (PA) Certificate Numbers

The Private Applicator (PA) Certificate numbering system suggested by the Department of Pesticide Regulation (DPR) is as follows:

PA-County Number-4 or 5 digit sequential number, such as PA-00-00000.

Some counties include sequential lettering or numbering based on permit numbers.

Private Applicators should record their complete PA certificate number when signing in on the Private Applicator sign-in sheet at accredited meetings for Continuing Education (CE) hours.

● Sign-in Procedures

Meeting sponsors are to provide Private Applicators requesting CE hours with a Private Applicator Sign-in sheet. This sheet is separate from the sign-in sheet provided for other DPR license holders.

Private Applicators DO NOT complete the computerized checkout forms provided by the Continuing Education Center for Pest Management (CECPM).

Meeting sponsors are to provide each Private Applicator requesting CE hours with a Certificate of Completion or a written statement verifying attendance that includes the certificate holder's name, certificate number, meeting identification code number and CE hours earned, meeting title, date, location, and sponsor's name or organization.

● Submitting Continuing Education (CE) Hours

Private Applicators are responsible for submitting their Continuing Education (CE) Hours to *their local County Agricultural Commissioner's office*. Private Applicator CE Hours are not tracked by DPR or CECPM.

For additional Private Applicator information please contact your local County Agricultural Commissioner's office.

Private Applicators: Submit this form to your local County Agricultural Commissioner's Office.

Keep a copy of your own for your records. Licensees/certificate holders must keep records for 3 years.

THE TOP BASIC THINGS YOU NEED TO REMEMBER!

1. Scantrons cannot be read if green or red ink is used on the form. Use black or blue ink or pencil only.
2. Licensees with a 5-digit number need to put a zero in the front of their number in the section where they bubble in their number on the scantron.
3. Remember to SIGN the scantron form!
4. Remember to sign-in on the correct Sign-In sheet – licensees vs. private applicators.
5. Remember to complete and sign your Verification of Attendance form for your records.
6. License or certificate holders need to retain verification of attendance records from their continuing education (CE) course sponsors. These records are a requirement of CCR chapter 3, section 6513, which states that license and certificate holders must keep copies of their CE records for 3 years. DPR may request copies of your CE course verification at any time.
7. Private Applicators (growers) also need to retain verification of attendance records from their continuing education (CE) course sponsors and keep it in their records for 3 years.
