Coconut Oil Lotion

On Thursday, November 30th Master Food Preservers will offer 2 *identical* sessions of a class featuring great ideas for making homemade gifts from edible items. Plan to join us at the session which best suits your schedule. We will be covering the basics of boiling water/steam canning while making a festive pear mincemeat. You will learn about the basics of dehydration as we make a layered mulling spice jar with dried fruits and spices. And, we will learn how to make homemade lotion with coconut oil and wax. We will also be sharing other great gift ideas and packaging ideas to make your holiday gifts as beautiful as they are tasty!

Registration: <http://ucanr.edu/survey/survey.cfm?surveynumber=21934>

Each class is limited to the first 24 registrants. Register and pay online by November 27, 2017, and bring a printed or digital copy of your confirmation proof-of-payment email to class. Closed-toe shoes are recommended. *Loaner* aprons are available or bring yours from home. **Cancellation Policy:** No refunds one week prior to workshop as materials will have been purchased. Questions, contact us at:

Directions to South Coast Research and Extension Center, 7601 Irvine Blvd, Irvine 92618

The city of Irvine has removed the left turn pocket in front of the property so if you are coming from the west you must drive to the light at Modjeska and make a U-turn. When you are approaching the property you will see chain link fence and then a block wall fence. The entrance is just at the end of the block wall.

Please note that this is a recent change and using directions on a mobile device will not alert you to these changes.
