

Fashion Revue

April 27, 2013

Thank you to Denise and Chenoa Van Gerpen and to all the judges and helpers who made this happen last weekend. I really had a fun time. This was SUCH a well organized, well attended Fashion Revue. Every child I saw had an award and a smile! You two, and your committee have worked so hard to revitalize this event...and it has happened! Judy

The Wild West in Fashion” was this year’s County Fashion Revue theme. We had over 50 entries and 20 participants, and great outfits & textiles of western fashion. This year we had 8 different categories for the 4H members to choose from, they were: Textile, Needle Arts, \$19.99 Purchased, Traditional, State Challenge -Duct Tape State Challenge - 2yd Wonder State Challenge, Embellished & County Challenge. The fabric for the County Challenge was Denim & Bandanas. Each member who participated at the event wore an outfit that they either sewed or purchased, or created, if it was in the embellished or textile categories. Modeling before the judges was first on the agenda, where each member would explain how they created their outfit. If they entered the Purchased category they needed to explain how much money they spent for their outfit and accessories, what the amount saved was and how versatile the outfit would be with the rest of their wardrobe. The Duct Tape category was a lot of fun for the members and they created some pretty amazing outfits and accessories out of tape. The 2yd. Wonder category kept the members to using 2yds. of fabric or less for their outfit, which can be challenging. And last but not least the County Challenge category showed very creative clothing made from denim and bandanas. Congratulations to all of you who participated, you were outstanding and showed a lot of confidence with what you created for this year’s County Fashion Revue. A big Thank You to our judges: Marleen, Nikki, Angela & Chenoa. And also big thanks to our Kitchen Crew: Dominic, Kinsman, Simeon, Addie, Don, Kiele & Zemarah. And last but certainly not the least, Thank You to the CCC Executive Board for funding this event and giving our county’s 4H members a Fun Day of Fashion!
