

COMPUTER SCIENCE GROWS HERE

About 4-H

In 4-H, we believe in the power of young people. We see that every child has valuable strengths and real influence to improve the world around us. We are America's largest youth development organization—empowering nearly six million young people across the U.S. with the skills to lead for a lifetime.

The 4-H Computer Science Team of San Luis Obispo & Santa Barbara Counties invite you to attend our online computer coding classes.

Description:

CS First is A free computer science curriculum created by Google. It makes coding easy to teach and fun to learn. Classes will be taught virtually using ZOOM. Weekly sessions will take place to help students with their project, and review coding progress. Youth will be able to work and socialize with each other from home, while learning critical thinking skills.

Who:
All youth, 8 and up

When:
Info sessions will be offered
March 30 at 12:00PM and 6:00PM
PST

Where:
ZOOM
