

Community Education Specialist II- Red Bluff, CA

Project Learning Tree Community Educator Specialist II position is with the University of California, headquartered at the Tehama County UC Cooperative Extension Office in Red Bluff.

Full Time: Variable work schedule, with occasional evenings and weekends.

Hourly \$16.95 - \$24.28 with Benefits

Closing Date: **March 17, 2021**

The Community Education Specialist 2 will perform the full range of program implementation duties. Incumbent will be responsible for developing and coordinating, professional development programs, resources, and collaborations in the Northern California region. The CES2 will travel to various work sites to meet with adults and youth to engage them in this rewarding program.

Project Learning Tree Program is a national award-winning environmental education curriculum program designed for teachers and other educators, partners and community leaders who work with youth from pre-school through college. The target clientele are adults who conduct PLT environmental education professional development and training using PLT educational materials.

PLT is designed to deliver active learning strategies where children and youth learn environmental education in practice. The goal of PLT activities is to teach children how to think, not what to think. PLT aims to support educators in promoting Environmental Education Principles and Concepts into the success of high-quality environmental teaching and learning.

This position will promote, in all ways consistent with other responsibilities of the position, the affirmative action goals established by the Division.
