FROM: UC ANR FINANCIAL SERVICES and RESOURCE PLANNING & MANAGEMENT

RE: FISCAL CLOSE – JUNE 30, 2025

The following information is now available for **Fiscal Close 2024-25**:

Processes for departments are similar to regular monthly fiscal closings. The purpose is to follow Generally Accepted Accounting Principles and match revenues and expenditures to the period incurred. The annual fiscal closing process is undertaken for two important reasons:

- Preparation of annual University of California audited financial statements.
- Budgetary closeout

The coordinated efforts of UC ANR units, along with campus accounting, and budget offices are crucial to ensure all financial activities are recorded timely and accurately. As part of the general ledger review closing process, units should clear any existing **overdrafts** within their Financial Departments.

- For transactions submitted directly to other UC campus accounting offices, follow the related campus deadlines.
- For transactions submitted to the UC ANR Central Offices – including the Financial Services office and Resource Planning and Management office, please follow the deadlines listed in this letter.

FISCAL CLOSE DATES
