

Request for 4-H Program Fee Waiver/Reduction

The 4-H Youth Development Program is open to participants, regardless of their ability to pay. Program fees will be waived or reduced for eligible youth. Provisions will be made by the 4-H unit (e.g., club) or volunteer management organization to cover program fees for eligible youth who are unable to pay them. It is recommended the parent/guardian of an eligible youth for which a program fee waiver or reduction is requested should complete, sign and submit this form. However, parent/legal guardian of eligible youth may also contact the county 4-H office to discuss the current local process for Fee Waiver/Reduction requests.
