4th H for Health Challenge 2025 - 2026

Every kid needs the chance to thrive. It'll inspire their lives, and they'll inspire our communities.

Get motivated to create healthy habits. To meet the challenge, choose activities that support your overall health and well-being!

UNIVERSITY OF CALIFORNIA
Agriculture and Natural Resources

4-H Youth Development Program

Inspired by and adapted from the [4th H for Health Curriculum](#) developed by the 4-H Healthy Living Management Team and Healthy Kids Out of School.

WHY HEALTHY LIVING?

The 4th "H" in 4-H stands for "Health." This is echoed in our pledge, "I pledge my health to better living." The 4-H approach is holistic and seeks to improve the well-being of all youth. This is accomplished through healthy eating, physical activity, relationship building, emotion regulation, injury prevention, and reduction of mind-altering substances.

ABOUT THE CHALLENGE

Complete 8 activities in each of these three areas.

Healthy eating

Movement

Social emotional health

The guide includes suggestions you can do each month. Log your activities in each area on the tracker. You can do activities individually or as a group at your club meeting or event.

WHEN Start any time after August 1, 2025. Challenge ends June 30, 2026

WHERE Do the activities in your club meetings, events and at home.

COMPLETION

Submit completed trackers to the California 4-H State Office to receive a 4-H Healthy Living certificate & pin.
