Community Economic Development Advisor
Applied Research and Extension
Serving Inyo, Mono & Northern Kern Counties, California

Position Overview

The University of California, Agriculture and Natural Resources (UC ANR), a statewide program with local development and delivery, is seeking a Community Economic Development UC Cooperative Extension (UCCE) Advisor.

Location Headquarters. Bishop, Inyo County, CA

Purpose. The Community Economic Development Advisor will implement an innovative extension education and applied research program around the intersection of rural economic development as related to connectivity, broadband, and access to enhanced remote/online services.

The position will involve
• Coordinating with local entities to develop and implement strategies for developing and deploying affordable, last mile information and service access
• Assessing the impact of efficient remote access in facilitating economic development and community resilience
• Strengthening economic resilience by fostering innovation, a diverse business community, and advancing business planning through enhanced remote services and information access and utilization.

This position offers the opportunity to integrate and bring focus to the potential for rural broadband access to enhance local community development, provide access to telemedicine health networks, enhance distance learning, and enable more effective economic development in the region.

This is an exciting opportunity to develop and deliver relevant program content to have meaningful impacts in local communities and throughout California.

Opportunities abound for extension and research partnerships with residents, companies, local, state, and federal agencies, UC and CSU colleagues, and NGOs as well the variety of UC ANR programs and academics. The advisor joins a team of highly motivated UCCE colleagues who are passionate about their work and are dedicated to making a difference within the communities and throughout California. The potential for collaborative projects within the UC ANR system is nearly limitless.

Counties of Responsibility. This position will be headquartered in Inyo County and serve Mono County as well as Ridgecrest and Inyokern in northeastern Kern County.
Community Economic Development Advisor

**Reporting Relationship:** The CE Advisor serves under the administrative guidance of the University of California Cooperative Extension (UCCE) County Director for Inyo and Mono counties with input from the Kern County UCCE Director in the coverage area.

**Qualifications and Skills Required**

**Required Qualifications**

**Education:** A minimum of a Master’s degree in community and economic development, business, public health, public administration, GIS, information science, or related field is required at the time of appointment.

**Additional Requirements**

- Valid driver license
- Solid understanding of rural broadband access and utilization
- Expectation to be available to work onsite on any day.

**Desired Experience**

- Experience in rural communities and natural resource-based economies
- Passion and desire to pursue a career in Cooperative Extension and community development
- Experience in building partnerships and with multidisciplinary teams
- Demonstrated ability to effectively plan programs, manage teams, and implement an applied research and outreach program, including setting measurable goals and objectives
- Knowledge of telemedicine delivery and implementation

**Skills Required**

To be successful, the CE Advisor requires skills in the following areas:

**Technical Competence and Impact**

The candidate should have a deep understanding of rural broadband access and utilization and the connection to telemedicine networks, distance learning and economic development opportunities. The candidate must be able to design and implement a program that leads to positive changes and impact within the community and beyond. There is an expectation that advisors evolve and grow across their career and respond to changes in the industry and by clientele.

**Communication**

Demonstrated excellence in written, oral, and interpersonal and information technology communication skills. Public speaking to stakeholders is a routine part of this position.

Demonstrated ability to share complex information in a manner tailored to the audience.

Utilizes appropriate technologies to communicate effectively over a large, remote geographical area.

**Collaboration, Teamwork and Flexibility**

Demonstrated ability to work collaboratively as a team member with industry and other stakeholders. Due to the position’s location east of the Sierra Nevada range, the ability to plan, collaborate, and interact with clientele and colleagues in creative ways is essential. Creativity and flexibility will be required for success.
Community Economic Development Advisor

Aware of and willing to actively promote diversity, equity, and inclusion while planning and implementing programs and applied research.

**Lifelong Learning**

Demonstrated commitment to ongoing self-improvement — both professionally and as a person. Ability to shift program focus as times and organizational needs change.

- The University of California Agriculture and Natural Resources is committed to attracting and retaining a diverse workforce and will honor your experiences, perspectives and unique identity. We encourage applications from members of historically underrepresented racial/ethnic groups, women, individuals with disabilities, veterans, LGBTQ+ community members, and others who demonstrate the ability to help us create and maintain working and learning environments that are inclusive, equitable and welcoming.

**About the Eastern Sierra**

California’s Eastern Sierra region is noted for its beautiful mountains, open space, and recreational opportunities. It is a land of stunning contrasts with both the highest and lowest points in the contiguous 48 states. Most land is owned by governmental entities which provides open, undeveloped spaces, but it also creates unique challenges to economic expansion and commercial services. Ridgecrest, Bishop, and Mammoth Lakes are the main retail centers in the region, all linked by US Highway 395.

Bishop is located approximately 5 hours north of Los Angeles and 4 hours south of Reno, Nevada.
Salary & Benefits

Salary: The beginning salary will be in the Cooperative Extension Assistant Advisor Rank and commensurate with applicable experience and professional qualifications. For information regarding Cooperative Extension Advisor salary scales, please refer to the University of California website: https://ucanr.edu/sites/anrstaff/files/358478.pdf. If the successful candidate is currently a UCCE Advisor, the candidate will be offered the position without change to the candidate’s current rank, step, salary and/or appointment terms; and if applicable, is eligible to retain indefinite status.

This position is eligible for indefinite status following three successful reviews and subject to terms noted in UC ANR Policy and Procedure Manual, Section 315 https://ucanr.edu/sites/anrstaff/files/118501.pdf

Benefits: The University of California offers comprehensive benefits including health insurance, retirement plans, two days per month paid vacation, one day per month paid sick leave, and approximately thirteen paid holidays per year. For more information, refer to the UC Benefits website at: https://ucnet.universityofcalifornia.edu/compensation-and-benefits/index.html

How to Apply

If interested in this position, please visit: https://recruit.ucanr.edu/ and choose “applicants” (refer to position #21-55)

Closing Date: To assure full consideration, application packets must be received by July 27, 2022 – (open until filled)
