

California Agriculture

A wide-angle photograph of a rural landscape. In the foreground, there's a field with dark, parallel rows of crops, possibly lettuce or similar leafy greens. Beyond the field, a large, open grassy area leads to a range of hills. A single, large, leafy tree stands prominently in the middle ground on the left side of the frame. The hills are covered in dense green vegetation and rise towards a range of mountains in the background. The sky is clear and light blue.
