

DONATIONS FOR AGRICULTURAL RESEARCH

July 1, 1980 - June 30, 1981

The following is a consolidated report of all gifts to the University of California for agricultural research and public service for the past fiscal year. There were 1,359 such gifts during the year, totaling \$4,098,381. In addition, various commodity groups operating under state- and federal-administered marketing orders provided \$3,545,466 for agricultural research during the 1980-81 fiscal year, and for the first time are reported below.

Multiple gifts from the same donor have been combined in this report.
