

Range Science Reports
Agronomy and Range Science Department
University of California, Davis, CA

- Center, D.M., W.A. Williams and C.A. Raguse. 1985. Developing Ranch Linear Programming Models Using Grazing Records. Range Science Report No. 1. 18 p.
- George, M.R. and M.B. Jones. 1985. Fertilization of Nonseeded Annual Grassland - Range Science Report No. 12. 5 p.
- Adams, T.E. and B.L. Kay. 1985. Perennial Grasses for California Rangelands. Range Science Report No. 3. 9 p.
- Drake, D.J., R.W. Benton and D.L. Lancaster. 1985. Renovating and Reseeding Mountain Range and Pasture with NoTill Methods. Range Science Report No. - (4 pages)
- Dunbar, J.R. and M.R. George. 1986. Range Nutrition on California Annual Grasslands. Range Science Report No. 5. 27 p.
- Murphy, A.H., M.B. Jones and R.M. Love. 1986. Comparison of Animal Yields on Annual Grasslands--Stocking Rates and Improvement Practices. Range Science Report No. 6. 9 p.
- Rosiere, R.E. and D.T. Torell. 1986. Performance of Sheep Grazing California Annual Range - Range Science Report No. 7. 16 p.
- Raguse, C.A., J.L. Hull, M.B. Jones, J.G. Morris, M.R. George, K.D. Olson, K.L. Taggard and R.R. Delmas. 1986. Plant, Livestock and Economic Responses to Selective Fertilization of Sierra Foothill Rangeland with Nitrogen, Phosphorus and Sulfur. Range Science Report No. 8. 11 p.
- W.H. Weitkamp, and W.L. Graves. 1987. Annual Medics for Range and Grain Lands. Range Science Report No. 9. 6 p.
- George, M.R. and W.J. Clawson. 1987. Improving Field Production with Annual Legumes - Range Science Report No. 10. 5 p.
- Jones, M.B. and C.E. Vaughn. 1987. Response of Seeded Annual Grasses and Clovers to Fertilization on a Serpentine Site. Range Science Report No. 11. 10 p.
- George, M.R. 1987. Management of Hardwood Range, A Historical Review Range Science Report No. 12. 16 p.

- M.R. George, M.R., C.B. Wilson, R.L. Willoughby, P. Sands, K.O. Fulgham and R. Kouriri. 1087 Seasonal Productivity of Seeded and Unseeded Annual Range. Range Science Report No. 13. 15 p.
- George, M.R., P.B. Sands, R.S. Knight and K. Taggard. 1987. Pasture Probe Calibration, A Progress Report. Range Science Report No. 14. 6 p.
- George, M.R. and E.A. Jacobsen. 1987. Annual Rangeland Productivity Data Base - Range Science Report No. 15. 27 p.
- Adams, T.E., P.B. Sands. and W. H. Weitkamp. 1988. Artificial Regeneration of Blue and Valley Oak in California. Range Science Report No. 16. 9 p.
- Frost, W.E., N.K. McDougald, W.J. Clawson. 1988. Residue Mapping and Pasture Use Records for Monitoring California Annual Rangelands, Range Science Report No. 17. 9 p.
- Kay, B.L. 1988. Wheatgrass Fertilization and Weed Control - Range Science Report No. 18. 6 p. Kay, B.L. 1988. Effects of Sagebrush Burning - Range Science Report No. 19. 5 p.
- Kay, B.L. 1988. Long-Term Testing of Range Forage in Modoc County. Range Science Report No. 20. 6 p.
- Kay, B.L. 1988. Seed Production of Annual Range Legume Grown in Range Conditions. Range Science Report No. 21. 4 p.
- Olson, K., M.R. George and A. Murphy. 1988. Estimating Weather and Forage Relationships Range Science Report No. 22 16 p.
- Frost, W.E., N.K. McDougald, E.L. Smith and W.J. Clawson. 1989. Procedures for Measuring, Analyzing and Interpreting Vegetation Trend in Riparian Areas. Range Science Report No. 23. 11 p.
- George, M.R. 1989. Using the Pasture Probe - Range Science Report No. 24. 7 p.
- George, M.R., M. Robbins, P.B. Sands, R.S. Knight and K. Taggard. 1989. Using the Pasture Probe on Annual Range. Range Science Report No. 25. 7 p.
- Robbins, M., M.R. George, H. George, Q. Barr, K. Taggard, K.O. Fulgham. 1989. Pasture Probe Equations for Cool Season Irrigated Pasture. Range Science Report No. 26. 9 p.
- Jones, M.B. and W.H. Brooks. 1989. Subclover Responds Negatively to Applied Nitrogen when Competing with Annual Grasses. Range Science Report No. 27. 8 p.

McDougald, N.K., W.E. Frost, A.O. Nelson and R.L. Phillips 1991. Coping with Five Years of Drought in the Central San Joaquin Valley - Range Science Report No. 28. 4 p.

McDougald, N.K., W.J. Clawson, J.W. Bartolome and W.E. Frost. 1991. Estimating Livestock Grazing Capacity on California Annual Rangeland - Range Science Report No. 29. 2 p.

Thomsen, C.D., M.E. Robbins and S. Larson. 1991. Yellow Starthistle Control - Range Science Report No. 30. 6 p.

Perrier, G.K., W.A. Williams, J.W. Menke and M.R. George Ecology and Management of Tarweed. Range Science Report No. 31. 3 p. W.A.

George, M.R. 1992. Ecology and Management of Medusahead - Range Science Report No. 32. 3 p.

Thomsen, C.D., W.A. Williams, M. Vayssieres and F.L. Bell. 1994. Yellow Starthistle Control. Range Science Report No. 33. 6 p.
