UNIVERSITY OF CALIFORNIA 4-H YOUTH DEVELOPMENT PROGRAM 2021-2022 SNAPSHOT

Color Me Green Run, Imperial County

Opportunity for All Youth

The University of California 4-H Youth Development Program is focused on creating opportunities for all youth to build skills to lead in their lives and careers.

The 2021-2022 4-H year was both virtual and in-person. Together, our youth, adult volunteers and staff used their entrepreneurial spirit and innovation to deliver positive learning experiences. Statewide leadership development events such as the Youth Summits and State Leadership Conference offered hybrid experiences so that youth could join in regardless of travel or public health restrictions.
