

SANGER 4-H FAMILY LETTER

Welcome to the 2024-2025 4-H Year! For this to be a great program for your child and those in our community there are few areas I would like to express and list below along with general information. It would be great to get a folder/binder to keep all the information in as well. Meetings and activities are included. Most meetings are Mondays, but due to holidays and school events some are Tuesdays, at Sanger High, Room 1005. Times vary from 6-6:30 depending on the time of year. Please email audreybonomi@gmail.com before you plan on attending
