FAQ:

Q: Who can participate in the County Events Attended and Community Service?

A: All 4-H members **including primary who are NOT doing the historical star rank program! Members who are still in the historical star rank system will be eligible when they switch to the new Achievement Program.**

Q: How much time can I count for contributing to a donation drive?

A: If you contribute items to a donation drive you can count 15 minutes (.25 hours) of community service. If you *plan* the donation drive you can count all hours you spend on the donation drive (planning, collecting, donating, etc).

Q: Do community service hours have to be within 4-H?

A: Any community service hours you complete in or outside 4-H can be counted. Get out there and serve your community!

Q: What counts as an event?

A: Any event that meets ONE of the following guidelines:

- Event is listed on the Fresno County 4-H Master Calendar
- OR is announced in the monthly county 4-H guidelines newsletter.
- OR is a state hosted 4-H event.
- OR any other County, Regional, or State level event with a 4-H specific division or participation level.

Q: Can I count community service on APR and for community service county award?

A: Yes, any community service you do as a 4-H member can count!

Q: What awards are earned by meeting the minimum events attended and/or minimum community service hours?

A: Custom medals/pins will be awarded to the members who meet the minimum requirements

Q: When are these logs due?

A: Logs are due to your club leader at the same time as the record book and project reports. A record book is **NOT REQUIRED for these awards. **DO NOT** include these forms in your record book.**

Q: When will awards be given?

A: Awards will be distributed by each club with the yearly service stripes and pins.
