Leaders Council

The University of California 4-H Youth Development Program (4-H YDP) creates supportive environments utilizing learn-by-doing educational experiences for culturally diverse youth and adults to reach their fullest potential. In support of this mission, the Fresno County Leader's Council meets five times per year to review and implement policy, coordinate and plan county wide events, and make decisions to enhance our programs success. All active 4-H adult volunteers in Fresno County are voting members of the 4-H Leader's Council. Youth members are encouraged to attend and contribute thoughts and ideas to the Council. **Remember ALL clubs MUST send a representative to ALL Council meetings.**

CCL'S (Community Club Leaders) ~ Need to Know!

- ✓ Positive Leadership helps build positive youth development aka 4-H
 - ✓ Your time as a 4-H leader is priceless to our members
- ✓ Consider holding a contest asking members to create club flyers for 2020-2021
 - ✓ Retention policy club financial & enrollment forms 5 years/records
 - ✓ Retention policy club event registration & sign in sheets 3 years
 - ✓ Watch your email for year-end checklist
- ✓ Enrollment fees for 2020/2021 will remain the same, \$65 per youth, \$25 per adult
 - ✓ You all have our deepest gratitude for your role in our program!

Community Club Leader Year-End Reminders

As year-end is quickly approaching on June 30th there are a few tasks that are recommended. *Consider running a standard "Project Enrolled" report, save as excel or pdf. Share to project leaders to be used as follow up in next years enrollment.* Should you find members that dropped without having completed the project consider:

- Making contact to determine reason for dropping
- Asking if planning to join next year
- Utilize Jr/Teen Leaders for communications
- Provide talking points for the follow-up calls

It is easy at times for people to "Fall through the cracks" especially in this year of coronavirus, please use year-end as an opportunity to make those connections.

Plan for Record Book evaluations in the months of June/July. Meeting in small numbers of 10 or fewer should be an option after June 15th. You **MUST** complete the MANDATORY survey before meeting in person. **LEADERS MAY NOT** hold meetings before completing the following brief survey. <http://ucanr.edu/survey/survey.cfm?surveynumber=30392>

This applies to meetings of either youth or adults. Please see front page for further details

Training must be documented by having the volunteer sign a training record, or recording completion of training by completing above survey.

Questions concerning these requirement please contact Tracy Newton tnewton@ucanr.edu or phone 559-970-3092

Please be watching your email for a complete checklist of year-end processes.

County 4-H Office Temporarily Closed

Due to the COVID-19 coronavirus the office is currently closed until further notice. This date could potentially be extended upon UC ANR future directives. Community Service Hours Reported for 2019 – 2020

Attention Club Leaders and Community Service Club Officers. Thank you to Fairmont, Renegades, Rural Route, and Pleasant Valley for reporting this year's community service efforts! While many clubs are actively pursuing community service activities those efforts have not been given credit in our tracking system. **American Union, Blossom Trail, Kerman, Kingsburg, Lone Star, McKinley, Reedley, Ridge Top, Sanger, and Sierra...** PLEASE see that someone records your services in the online system!

It is crucial that we capture each and every effort of service to our community as evidence of the many benefits the 4-H Youth Development Program brings to Fresno County.

PLEASE take some time and complete the survey found here https://ucanr.edu/sites/4-H-Fresno/Adult_Leaders/Community_Service/ As our program faces future financial challenges this data will serve to validate the merit of Fresno County 4-H. Many of you have efforts such as flags and wreath ceremonies during holidays, various food & coat collections, drives for centers and other non-profits. Should you have questions or need guidance in completing the survey please contact Tracy Newton at (559) 970-3092 or tnewton@ucanr.edu

CALIFORNIA FREE OF VIRULENT NEWCASTLE DISEASE

SACRAMENTO, June 1, 2020 – The California Department of Food and Agriculture (CDFA) and the U.S. Department of Agriculture (USDA) have announced an end to the Virulent Newcastle Disease (VND) quarantine in Southern California. Extensive testing of the regulated area has been completed, with no additional detections of the disease. This allows poultry to again move freely within California.

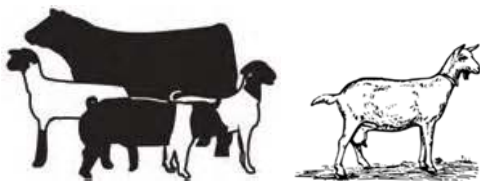

VND was first detected in May of 2018 in Los Angeles County. By December 2018 the virus had spread extensively in backyard poultry in the LA Basin and also infected commercial flocks. After prolonged disease control efforts, the last confirmed positive case was detected in February, 2020. Testing has continued throughout the area since that time to gain assurance that the disease was eradicated.

All backyard poultry owners and commercial operations are encouraged to practice biosecurity measures to help prevent the introduction of disease when people enter or depart the premises, to routinely check birds for signs of illness, and to report any incidence of suspected VND or other bird diseases. More information is available at www.cdfa.ca.gov or through the California Avian Health Education Network (CAHEN) at (866) 922-2473.

Fresno County 4-H Livestock Achievement

BEEF CATTLE * DAIRY GOATS * MEAT GOATS * SHEEP * SWINE

Attention Livestock Project Leaders and Members...due to the “Shelter in Place” order that continues to be in effect due to the Corona virus, the Fresno County 4-H Livestock Achievement Committee is working on options to the traditional Livestock Achievement testing format. While we are working on this, be sure to keep informed and educated about livestock by reviewing the 4-H Livestock Achievement Program information as well as the study guides that are available on-line at the Fresno County 4-H website.

For information about the program and for study guides, please visit:

https://ucanr.edu/sites/4-H-Fresno/Projects/Livestock_Achievement/

If you have any questions about the Livestock Achievement program or need suggestions for virtual meetings and activities, please contact the species leaders listed below:

Beef Cattle	Susanne Carroll	269-9959
Dairy Goats	Clara O’Daniel	593-0449
Meat Goats	Alonzo Hernandez	481-2041
Sheep	Georgene Diener	269-1177
Swine	Alisyn Gaasch	289-7292

Sheltering in place offers a great opportunity to spend time exploring the many livestock-related resources and information that are available online!

Fair update- Both Fresno & Caruthers are proceeding with plans to hold their livestock shows although it may be greatly modified from what we are accustomed to. New for 2020- ONE MARKET ANIMAL ENTRY per exhibitor. Members and their families are advised to **consider the following in making decisions to purchase market animals.**

- A) Invest only amounts that you can afford to lose, shows and auctions could still be cancelled
- B) Prepare to secure buyers as support we’ve had in past likely will not be an option this year
- C) Be prepared to keep your animal for private treaty sale or personal consumption.

After considering this information, members should proceed as their families deem appropriate.

We continue to be hopeful for our fall fairs.

Youth are required to complete YQCA trainings, remind them to check the expiration date of certificates if they have completed the training in the past. See website for details

<https://www.fresnofair.com/p/getconnected/livestock-exhibits/yqca>

Age Requirements for Fresno Fair participation is 9 years old as of Dec. 31, 2019 in the Livestock Department while the Junior Exhibits handbook states 9 years old as of Jan. 1, 2020.

CAMP UPDATES

Fresno County 4-H Summer Camp 2020 ~ CANCELLED

It is with sadness that we report summer camp 2020 has been cancelled due to COVID-19. With many uncertainties and changes to policies our facility has determined it best to close for the year. Unfortunately, this eliminates the option of July or August camp. JCs have worked hard in camp planning this year and all have been informed of the automatic acceptance as JCs for camp 2021.

Plan for Fresno County 4-H Camp Keola 2021

California 4-H State Shoot 2020

The 36th Annual State 4-H Shooting Sports Match will once again be sponsored and hosted by the Siskiyou County 4-H Council.

At this time the mail in target competition is not canceled however, we are reworking timelines. **Targets were mailed out in April.** Clubs will have until August to fire on the targets and return them. We hope that this will be sufficient time once 4-H in person meetings resume. Full contest timelines will be included in target mailing.

Thank You! Siskiyou County 4-H Shooting Sports Committee

Please direct any questions regarding the event to Siskiyou County.

Shooting Sports News

Great accomplishments this year by two Fresno County 4-H'ers.

Congratulations Clayton Pennebaker from Reedley 4-H on being selected to participate in the 2020 National 4-H Shooting Sports Championships. Clayton earned a spot on in the category of shotgun. Although the competition was hindered by the coronavirus what an honor to be selected to the team!

Congratulations also to Abby Kelley from Fairmont 4-H on being selected to participate in the 2020 National 4-H Shooting Sports Leadership Academy online program. Abby is a delegate in the Archery category. We hope each of you find it an enjoyable and rewarding experience!

Project Meeting Tips & Ideas

During this time, it may be difficult to meet the 6-hour requirement to complete projects. Below are ideas/tips to assist in meeting the minimum.

- Zoom meetings testing knowledge or sharing Project activities completed at home (Pygmy Goat Project - Jeopardy game testing knowledge)
- Assign activities project members can complete at home and submit completed work back to Project Leader (Baking Project – baking cookies, photography – share photos, etc.)
- Poster of livestock breeds/knowledge (Rabbit Project - sharing varieties of Rabbit breeds)
- Sharing videos of project aspects (Horse project - confirmation of a horse)

Remember - Annual Project Reports are required to participate in livestock projects at local Fairs.

California 4-H at Home

We plan to continue to build this new site to give you ideas and support to participate and lead 4-H events from home.

We now have a new site to share information and resources to participate in 4-H activities from home: [California 4-H at Home](#). This site will be changing often as more resources and information are available, so please bookmark this site to check in.

Featuring:

1. Calendar of live virtual events
2. Links to resources you can download and do from home
3. Guidance and resources to lead virtual 4-H Meetings
4. Updates on 2020 4-H state and national events

We're going virtual for Vision 2020 SLC, July 24-26

While we had hoped that State Leadership Conference would be able to be held this summer to continue the tradition of teaching Leadership skills with a hands-on experience, it's become clear the impact of COVID-19 will continue to be felt for the foreseeable future and that large gatherings should not be held. Based on the advice of health experts and the continued guidance issued by the Governor and University of California leadership, we have decided to move State Leadership Conference to a virtual format. The health and safety of our 4-H members and volunteers are our number one priority. The State Ambassadors and the members of State Leadership Conference planning team are working diligently to create an engaging and interactive on-line experience. ***Schedule and registration will be announced within the next few weeks.***
