BIG FRESNO FAIR Updates – 2021

Great news! We are told that our county fair will be held October 5th – 17th

While we are hopeful by fall Covid will not be the issue that it was in 2020, we must remain flexible knowing changes may occur. Fair staff have indicated that at minimum they will hold the junior livestock show and sale as held in 2020 however, they are planning at this time to be back to full scale with needed precautions in place to keep all exhibitors safe. All livestock leaders are advised to encourage members to purchase market projects yet keep in mind that we may still face an auction impacted by long-term effects of COVID. Be mindful and budget accordingly. Exhibitor handbook coming soon. *IMPORTANT changes for 2021 – Rabbit, Poultry & Pygmy Goat shows WILL be held. Meat goats move to second week. Exhibitors may enter 2 animals per market class but sell only one. Super heavy weight hogs will not be eligible for sale.* We look forward to a much-improved fair in 2021. More info coming soon!

4-H Pygmy Goat Field Day

I'm Allison Juarez and I participated in 4-H Pygmy Goat Field Day. There were so many goats. I saw caramels with brown and black markings, I saw black and gray agoutis, and also a 4 week old baby goat! I met new friends from different clubs because there was one from each club in the Jr. group. The clubs that participated were Renegades, Blossom Trail, and Fairmont 4-H. The events that you could do were a fun obstacle course, a costume class, an achievement test, and an identify the item test. The Renegades goat project planned and set up the obstacle course and the rest was planned by adults. This was an in person event too. You can learn from this, have fun, and spend more time with goats.

I hope you come and watch the next event or join!

4-H County Emerald Star What is an Emerald Star?

Fresno County offers 4-H'ers the opportunity to earn an Emerald Star. The Emerald Star program is designed for intermediate and senior 4-H members ages 13 and up. The Emerald Star project's purpose includes:

1. Providing an opportunity for 4-H members to develop projects in their community or in 4-H beyond the club level.
2. Improving, creating, and expanding 4-H programs.

Helping individual 4-H members grow and improve in the areas of organization, leadership, and project planning.

This program is designed to help youth learn about project planning, organization, and presentation.

Typically, youth develop an action plan for some type of multi-county event. They then organize and facilitate this event. After completion and presentation of their project, they are awarded with the Emerald Star ranking. Those members wishing to apply for the "Homer Williams Scholarship" must have completed an Emerald Star Project. For more detail see the county website https://ucanr.edu/sites/4-H-Fresno/Youth_Members/Citizenship_and_Leadership/

Fresno County 4-H Ambassador Team – “Helping Hands, Sprouting Hope”

The 4-H Ambassador team has been hard at work (virtually) planning and preparing for their Service Learning Project. The focus of the project this year is meeting needs in the Shaver Lake area, affected by the Creek Fire. They have attended numerous meetings with community leaders and identified some key areas they can support.

One aspect of their project is to help with soil conservation and erosion control efforts. They have been attending clinics and workdays to help with preventing erosion after the fire. The area needs a LOT of trees to be replanted so the Ambassadors have decided to host a fundraiser to raise funds to purchase approximately 75 seedling trees that they will help to plant in the spring. They are hoping that your family will support the fundraiser to buy trees and get some new 4-H bling at the same time. See the flyer showing the new 4-H merchandise they are selling, along with an order form. Families can send their order directly to Audrey Taylor via email, text or snail mail since clubs are not able to meet in person currently. Quantities are limited so orders will be filled on a first come, first serve basis. If you have any questions, please do not hesitate to contact me at (559) 352-7718 or taylorfarms131@gmail.com. Ambassadors need your help! For additional info see the [4-H Ambassador page](#) and [4-H Swag Fundraiser](#) on count website.

County Ambassadors Hosting Kahoot for Creek Fire Families and Local 4-H'ers

A WESTERN ADVENTURE AT 4-H DAY CAMP

TUESDAY, JUNE 22ND – THURSDAY, JUNE 24TH

Summer is coming and so is Fresno County 4-H Day Camp! *It's time to get outdoors and have some FUN!* Sadly, because of Covid, State 4-H will not allow overnight camp this year. So we are hosting a 3 day "Day Camp" at Verde View Farm located at 1683 N. Del Rey Avenue near Sanger. Camp hours 8:30 am – 5:00 pm (late pickups must be pre-arranged) Camp will feature a western theme and many of the same activities that campers have enjoyed at overnight camp. Our JCs have been busy planning so that campers will have a foot-stomping good time.

Camp cost will be \$75 Ea. & \$60 for additional camper from same family. Registration will include a camp t-shirt, camp photo, lunch, snacks and drinks throughout the day. Registration information will be coming soon. **We can only accommodate 64 campers so get your registration in early!**

Addressing Covid concerns: Campers will be sorted into groups by ages and will rotate through activities with their group and JCs. All activity stations and equipment will be sanitized after each group use. There will be social distancing between groups and masks will be worn except when eating or when 6 or more feet apart. All activities will be held outside or in an open air structure. Should you have questions please contact Tracy Newton tnewton@ucanr.edu at 559.970.3092 or Anne Cehrs acehrs@verizon.net at 559.618.0250 **See website for registration forms under Events Page**

Livestock Achievement Day...Save the Date!

~ SATURDAY, MAY 15TH ~

4-H Livestock Project Members, Parents, and Leaders...

Thanks to all of you, we had a great response to our pre-registration for Livestock Achievement Day, which will be held in-person at the Fresno Fairgrounds on Saturday, May 15th, beginning at 8:30 a.m. Thank you for registering now it's time to start studying for the big day! We have a fun way for members to help each other prepare for Livestock Achievement Day AND get credit in their record books!

Information about Livestock Achievement Day will be sent out in a separate email but for now...

Let's all study for Fresno County 4-H Livestock Achievement Day testing!

Because so many 4-H project groups had limited meetings this year, your help is needed so that all livestock project members can be prepared for Fresno County 4-H Livestock Achievement Day on May 15, 2021! *Each member who will be attending Livestock Achievement Day is asked to add a slide to a Google Slide Presentation in order to help members prepare for the written and skills tests. Members who registered for Livestock Achievement Day and their leaders were emailed the link to the Google Slide Presentation.*

To Prepare for the Livestock Achievement Day testing on May 15th:

Review the Power Point <https://ucanr.edu/sites/4-H-Fresno/files/346266.pdf> that outlines the information you need to know for each level of the Livestock Achievement Program.

Using information from the study guides https://ucanr.edu/sites/4-H-Fresno/Projects/Livestock_Achievement/Livestock_Achievement_Resources/, the handbooks, or a reliable on-line source (.edu or any 4-H website), each member will **make one Google Slide about one of the following topics**, based on the animal and level they will be tested on:

Parts of the Animal, Terminology, Breeds of Livestock, Wholesale and Retail Cuts of Meat, Parts of the Udder, Ruminant Digestive System, Ear Notches for Swine, Milk Handling Steps, Desirable Traits of a Market or Breeding Animal, Biosecurity Practices, Slaughtering Process, Nutrition, Feeds, Livestock Handling, Management, Showmanship, Judging, Equipment, Veterinary Care, or Fitting Show Animals.

If you have any questions about the Livestock Achievement Program, the study guide, or Livestock Achievement Day testing, please contact Susanne Carroll (559) 269-9959.

ATTENTION 4-H SHOOTING SPORTS ENTHUSIASTS!!!

If you are a 4-H member, leader, or parent, you want the latest information regarding trainings, matches, youth leadership programs, or anything related to 4-H shooting sports. The fastest way to get the most current information is to be signed up for the 4-H shooting sports mailing list or our facebook page. Enter your email address into the mailing list link below or like our facebook page and you will receive information about the program as quickly as we receive it and post it.
