How Do You Go Through Life?

We have a choice of how to progress through life. Some choose to “go” through life, while others choose to “grow” through life. Everyday we get older, so going through life is automatic, it just happens. Growing through life is a choice. It involves continual learning from all the experiences we encounter. If you choose to “grow” through life it sets you apart from those that simply “go” through life. Let’s help our 4-H members realize that life becomes so much richer and fuller when we choose to “grow” through life.

Words To Live By:

“Talent is given, greatness is earned.” -LeBron James

Our programs are open to all potential participants. Please contact the Fresno County UCCE office (two weeks prior to the activity), at (559) 241-7515, if you have any barriers to participation requiring any accommodation.

Giving Tuesday

November 30, 2021

Giving Tuesday was created in 2012 as a simple idea: a day that encourages people to do good. Giving Tuesday was born and incubated at the 92nd Street "Y" and its Belfer Center for Innovation & Social Impact in New York City. Giving Tuesday is now an independent nonprofit and a global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

#GivingTuesday is held annually on the Tuesday after Thanksgiving. Kick off the holiday season by donating to the Fresno County 4-H program at: https://donate.ucanr.edu/?id=3_2_1_11

Wanted: Junior Counselors for 4-H Camp Keola

Applications postmarked by Nov. 30 or received by December 3rd

If you are currently in High School, love summer camp, and enjoy working with younger 4-H members, consider applying to be a Junior Counselor at Fresno County 4-H Camp. **Camp will be held at Camp Keola on Huntington Lake in June 2022.** Campers spend four full days and nights at Camp Keola, enjoying activities planned and led by the Junior Counselors (JCs).

Starting in January, JCs attend two meetings each month, one with the whole group and one with their committee, in order to prepare for camp. At camp, JCs lead the camp activities they have planned and along with adult chaperones act as cabin counselors at night.

No prior camp experience is necessary to apply, just an enthusiastic spirit and an ability to work with others. Applications are available on the County 4-H website under events page tab https://ucanr.edu/sites/4-H-Fresno/Annual_Events_Page/4-H_Summer_Camp/ Completed apps must be received in the 4-H Office no later than December 3. Interviews will be held on December 8 (changed from 9th). At camp you will be expected to teach an hour-log education-al skill class. At your interview, YOU MUST provide your lesson plan for the workshop in written form. Questions? Contact Anne Cehrs (559) 618-0250.

Fresno County 4-H Livestock Judging Contest

Saturday Nov 20th

8:30 AM to 1:30 PM

Pizza lunch will be provided!

Fresno State Livestock Pavilion

What is a Judging Contest? A judging class consists of four items. The 4-H'er is asked to evaluate and rank the class in order from best to worst. Points are given on how close the participant comes to matching the placing an expert gives the class. Junior, Intermediate and Senior 4-H participants will also be given the opportunity to give oral reasons. Oral reasons enable the participant to explain to a judge why they placed the class the way they did. Points are given for how convincing the reasons are. Even if the class wasn't placed correctly, if good reasons are given, the points will reflect that.

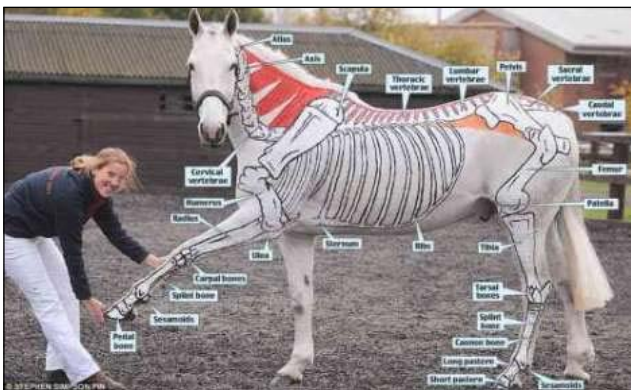

How to Give Reasons: When you explain your choices in a judging contest, you are "giving reasons". Before you can give your reasons, you need to have a clear picture of the class in your mind. After judging the class, be sure to make some notes. Giving reasons will be easier after you have studied your notes. Step up to the judge and explain your reasons using the following example:

Opening Statement: I placed this class of _____ 4-1-2-3.

Explanation: In my top pair, I place 4 over 1 because: _____.
For my middle pair, I place 1 over 2 because: _____. In my bottom pair, I place 2 over 3 because: _____.

Closing Statement: For these reasons, I placed this class of _____ 4-1-2-3. Thank you.

Help is Needed! If you are interested in donating bottles of water and/or cookies for this event or would like to volunteer to help the day of this event, please contact Erin Collup at 559-367-2542.

Horses from the Inside Out

December 4, 2021

10 AM to 1 PM

Sierra High School Farm Arena

This is a great opportunity to learn about the anatomy and function of horses from the inside out. During the workshop participants will learn-

- * to put together a horse skeleton
- * learn about the muscular system and how you can influence it
- * talk to a horse judge and learn what it takes to judge horses or pick out your next partner

Questions? Contact Sierra 4-H Horse Leader, Michailia at 907-764-0041

You are encouraged to bring along a sack lunch to enjoy as we wrap up the event.

Meet The 2021-22 Ambassador Team

Two new Fresno County 4-H Ambassadors have started their term of service - Caleb Kasper from Blossom Trail 4-H and Lisa Bates from McKinley 4-H.

Caleb is 16 years old and is currently a junior in high school. He is homeschooled and also attends classes and Classical Conversations once a week. Caleb will be participating in riflery and archery in his club this year. One of his favorite quotes is *"No man can be sure that he may not be tomorrow the victim of a spirit of injustice, by which he may be a gainer today."* - Alexander Hamilton. Caleb was inspired to become an ambassador because of the leadership and community service opportunities available. He is excited to serve and work with the team in order to benefit the community.

Lisa is 17 years old and a senior in high school. She has been homeschooled for the past 8 years through Yosemite Valley Charter. Lisa plans to participate in beef, cooking, arts & crafts, rabbits, and baking in her club this year. Her favorite quote is *"The way I see it, if you want the rainbow, you gotta put up with the rain"* - Dolly Parton. Lisa was inspired to become an ambassador because she has a huge passion for leadership and 4-H, and her desire is to grow in both. Lisa is very excited to personally get to know all of the Fresno County 4-H members while planning to spread the message of 4-H to everyone and recruit new members.

Festive Food Faire

Saturday, January 15, 2022

Sequoia Elementary School– 1820 S. Armstrong, Fresno

Check-in begins at 11:00 AM

Judging begins at 12:30 PM

Join the *FUN* of baking and displaying creative foods at the Festive Faire. Now is the time to start planning! This event is open to ALL 4-H members. Categories include:

Category 1 - Dairy Foods - One of the principle ingredients must be a dairy product such as butter, milk, cheese, sour cream, yogurt, etc. No substitutes. Acceptable entries include: Appetizers/ cheese balls, cookies, cakes, desserts, breads.

Category 2 - Traditional - Must include information about the original tradition of the recipe and how it relates to your family. Acceptable entries include: breads, cookies, cakes, desserts.

Category 3 - Candies - Caramels/taffies, chew candies, creams, fudges, divinity dipped candies, fruit and nut candies or brittles, candied apples, stuffed dates, hard candies, lollipops, lemon drops, gum drops, popcorn balls, etc.

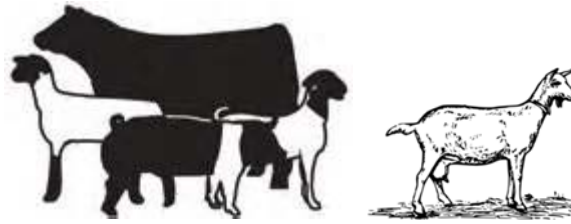

Category 4 - Healthier Goodies - Main ingredient(s) must be nutritious i.e., whole wheat grains, bran, nuts, fruit, vegetables. Acceptable entries include: Appetizers, snacks, green leafy salads and fruit salads.

Category 5 - Trix-From-a-Mix – Begin with a mix, then add additional items, not just what is listed in mix instructions. Acceptable entries include: Appetizers & snacks (no meat items), cookies, breads, desserts, cakes.

Category 6 – Table Setting – Items that must be included in the table setting: one place setting; menu card; the prepared recipe from your menu in the appropriate dish, casserole etc. Centerpiece is optional.

Category 7 - For 2022– Delectable Disguised Foods - create food that looks like different food (as an example– cake that looks like spaghetti, cupcakes that look like popcorn.)

Pre-Registration is requested this year to determine spacing for judging. Please see the 4-H website for complete details- https://ucanr.edu/sites/4-H-Fresno/Annual_Events_Page/Festive_Faire/

Fresno County 4-H Livestock Achievement Program

Attention all Livestock Leaders, Parents, and Members...

The Fresno County 4-H Livestock Achievement Program was one of the few online and in-person activities that took place in the last 4-H year. We're looking forward to continue that commitment to animal science knowledge this year!

Be sure to visit the new and improved Fresno County 4-H Website and take a look at the information on the Livestock Achievement page where you'll find program guidelines, a Power Point, study guides, and resources. View or print the updated Power Point so you know the requirements for Level 1-5 testing!

https://ucanr.edu/sites/4-H-Fresno/Projects/Livestock_Achievement/

If you need a reminder of what level you're studying this year, please contact the 4-H office or Susanne Carroll: (559) 269-9959 or email: susanneandkevin@gmail.com

It is highly recommended that all livestock project members participate in this great program! Participants learn about their species of livestock from breeding through marketing and better understand their role in animal agriculture. Project leaders, by participating in this program, you'll have a curriculum guide to follow for each of your project meetings. It's an easy way to plan out your project year! Livestock resource books developed by the Ohio State Cooperative Extension are available for purchase through the Fresno County 4-H office. These resource books serve as the basis for the program. Clubs should consider purchasing a book for each of their livestock projects. Members can also purchase the resource books. Be sure to check out the FREE study guides available on-line for members and leaders to download and print, as well!

If you need help planning meetings or finding resources for your livestock project, or if you have a resource you'd like to share, please contact the following species leads:

Beef Cattle – Susanne Carroll (269-9959)

Dairy Goats – Clara O'Daniel (593-0449)

Meat Goats – Savanna Duncan (909-4744)

Sheep – Georgene Diener (269-1177)

Swine – Susanne Carroll (269-9959)

The Livestock Achievement Committee is in need of a leader who would like to help with the Swine portion of the program. Please contact Susanne Carroll if you are interested.

Livestock Achievement Kahoot!– Join the Fun!

Beginning November 4th @ 7:00 PM via ZOOM

Are you looking for a fun way to test your livestock knowledge? If so, be sure to join other 4-H members from across Fresno County for the monthly Livestock Achievement Kahoot Game! Games take place at 7 PM on the first Thursday of each month via ZOOM. Watch your email for the link to the ZOOM room. This activity is open to all 4-H members but is considered a skill activity for members who are enrolled in a livestock project. This is just a fun activity that keeps members thinking about livestock and animal science. Members, if you would like to host a Livestock Achievement Kahoot game, please contact Susanne Carroll at 559-269-9959.

“Spy vs. Spy” County Horse Rally

Hello, I’m Rylee Nielsen, an 11 year old, 3rd year Horse project member in the Renegades Club. The “Spy vs. Spy” County Horse Rally was held on October 2nd at Mane Trail in Clovis, and hosted by the Renegades Club. It was fun to have a few members from other clubs join the fun, and have their leaders and adults help with the event too! Horse Leader, Addie Miller, created 10 stations that each participant visited individually for judging including “Egg Drop” where we had to carry a raw egg in a spoon and walk or trot over poles, and “Lost” where we had to keep at a trot in a tight, curvy patten without hitting the edge.” Congratulations to all of the 4-H members who received a ribbon: Emily Addis, Isabella Andrist, Gia Aragon, Mia Azevedo, Noelle Frantz, Alen Hansen, Livi Hiester, Madison Keifer, Rylee Nielsen and Kalia Nostrant. I would definitely recommend joining this event when it is offered again. It was so much fun and is a great way to meet new friends and learn some new horse riding skills.

I hope to see a lot of other 4-H members at the horse show at Academy Equestrian Station on November 13th! Non-horse spectators are always welcome to cheer on your favorite rider too!

Numbers matter and they are looking very ENCOURAGING! As we move forward we are seeing a steady increase in club membership and enrollment overall. A HUGE shout out to the Kingsburg 4-H Club ~ having the largest increase in numbers to date. Nearly doubling in size of youth members... OUTSTANDING JOB! The county office CONGRATULATES you and will bring a special treat to your January club meeting. ALSO, the club having the biggest increase as of May 1st from previous year, will receive a SPECIAL year end SURPRISE!! Take good care of your new members. Remember how confusing 4-H can be the first year. If your club doesn't have Hospitality Officers, consider adding them so the new families can be well cared for (personal check-ins, verified communications, welcome folders, ect.) If your club needs support material for new families contact the 4-H Office for photo copies, record book forms and other resources. KEEP UP THE GREAT WORK!

Leader Recognition

Dear Volunteers,

Thank you for all that you do for 4-H. It is amazing that you are willing to sacrifice so much of your time to help the next generation grow. You are not just teaching us to prepare for today, you are teaching us to conquer tomorrow. When we look back on our memories in 4-H, we will remember those that made it special, we will remember you!

State Fashion Revue Update for 2022

The theme for the 2022 Fashion Revue is “Fashion Returns”. The categories are: Traditional (open to Clothing & Textiles/ Sewing project members) and Consumer Science Purchased \$40 limit (open to all 4-H members). The Historical Challenge returns! The outfit must be inspired by a design from before 2000. The Historical Challenge does not have a 4-H project requirement. The Box Challenge for 2022 is Pants, or they can be shorts, capris, or a skort, but not leggings. Members must use at least the number required of the elements in the “box”. The pants must be sewn as part of the Clothing & Textiles/Sewing project.

The final challenge is the Trashion Fashion Challenge. "Trashion" is a fashion philosophy that combines environmentalism with innovation. Trashion helps give new life to waste materials that would not normally be used again. Participants in this challenge will create a garment out of recycled, repurposed, secondary use materials. The garment must be made from at least 75% recyclable or reused materials that would otherwise be thrown away or recycled. The materials should not be new. The entry must include a statement about one of the material’s effect on the environment and how the material can be reduced, recycled or reused by the public. There is no 4-H project requirement; any 4-H member may enter this category.

The 2022 service project is making reusable bags out of recycled T-shirts called “Bag it, Don’t Trash it.” The sewing is simple and the uses are many!

For all the details about the 2022 SFR categories and service projects, go to <https://ucanr.edu/sites/sfd/Competitions/>
