Using the 4-H Name & Emblem

The four-leaf clover is the official 4-H emblem. The 4-H name and emblem is a federal mark with protections and standards that exceed that of trademarks and copyrights, like the Presidential Seal.

When using the term “4-H” it is to be written as the numeral “4” separated from a capital “H” with a hyphen.

Note:

* Most style manuals will specify not to start a sentence with a numeral; try not to start a sentence with “4-H”.

*The elements of the 4-H name should not be separated at the end of sentences.

*The 4-H emblem may NOT be used in place of the word “4-H”.

*The 4-H emblem may NOT be used to replace an individual letter within a word.

Tip: You can also refer to 4-H youth as “4-H’ers”. Always use an apostrophe after “4-H” when this is used.

Thank YOU !!!

When calling the 4-H Office, you will no longer hear the helpful, cheery voice of Yolanda Murillo. With over 20 years working as the 4-H Secretary, she has accepted a job with another department in Cooperative Extension.

Yolanda is joining the Cal Fresh Healthy Living Program. Yolanda has become a treasured source of information regarding the 4-H Program to all 4-H families.

The 4-H Program is so unique and takes awhile to comprehend. Your patience in working through the transition and educating her replacement will be greatly appreciated.

We wish Yolanda well, and we hope she enjoys the new challenges that a change in responsibilities brings. Thank you Yolanda, for all you have done to strength and serve the Fresno County 4-H Program.

There’s Still Time!

Leadership Training Day Recap

- I attended my first County Leadership Training Day on August 20th and my friends and I had a great time! We carpoled and drove out to Redeemer's Church in Reedley. The event was for all 4-Hers who want to learn about leadership and more about becoming or being a club officer.
- We were greeted by a County Ambassador at the registration table where we received a raffle ticket and details about the day.
- We then moved inside the nicely air-conditioned meeting room and made some cards for veterans. After the Ambassadors welcomed us, we got to choose which classes we wanted to attend. There were classes for the different officer positions, how to talk to people about 4-H, and a special guest speaker about developing leadership skills. Then we had a snack before we met in one large group again. The morning ended with finishing the Mock Legislative Session that the Ambassadors had started during their welcome.
- It was really an interesting and fun learning experience! Oh, and three winners of the raffle received Dutch Bros gift cards!!!
- ~Rylee Nielsen from Renegades 4-H Club

4-H Presentations at the Fresno Fair

Here is a great opportunity to give a presentation at the Fresno Fair! Presentations take place on the stage in the livestock barn in Ag Venture Land. You can schedule your presentation between 10:30 AM and 6 PM on most days. The exceptions are Wednesday, October 4th and Tuesday, October 11th. On these days presentations are between 4:30 PM – 6 PM. Your presentation should be easily understood by both kids and adults. All presenters will receive a special presentation medal from the 4-H Office. To schedule, email your name, contact phone number, club, title and topic of presentation, length of presentation, and what day and time you would like to present to Anne Cehrs. If you are not showing at the fair choose a time that is after school hours. You may reach Anne Cehrs at email: acehrs@gmail.com

Farmer's Market– A Great Opportunity!

Fresno County 4-H has been invited to participate in the Farmer's Market sponsored by Reedley College, held most Saturday mornings beginning September 10-November 19th at Reedley College Parking Lot C from 8 AM to 12 PM.

Clubs may wish to set up a table or booth that ties in with topics such as healthy living, gardening, foods and nutrition, exercise and games, or information about 4-H and the great opportunities it has to offer. Clubs are invited to be creative and resourceful in selecting the focus of the booth.

4-H members are encouraged to participate by setting up activities the public may participate in or by giving a presentation (perhaps on how to make your favorite recipe), by leading games for the children present, educating the public about your favorite 4-H project or 4-H in general. There are many ways to participate which will provide "Communications" credit for your Personal Development Report Form and advance your opportunities to earn a star rank.

To reserve your space (*you select the date(s) you wish to participate*) please contact Janeen McCorkle at 559-494-3444 or email Janeen.mccorkle@reedleycollege.edu.

Please refer to the flyer at the back of the Guidelines for the specific dates of the Farmers Market.

Periods....

We're talking about periods! Join us as we explore a girl's monthly cycle from a new perspective. 5 meetings held on Sunday afternoons in October, November, January, February, & March. Contact Kristen Gilster at 559.325.4045

While often shrouded in a cloud of mystery & even shame, we'll be going "behind the scenes" to look at this 5th vital sign. Yup, vital sign! Back in 2015 the ACOG (American College of Obstetricians & Gynecologists) decreed that a girl's cycle is her 5th vital sign & indicator of health.

In this project we'll be exploring the different phases of a cycle & how each plays into a girl's everyday health - in the way she feels, eats, moves, & thinks. These incredible hormones really do impact so many aspects of our lives!

This program is not geared towards sex education but only body literacy as it pertains to female hormones & this 5th vital sign. There's a lot of taboo around this topic & it can be uncomfortable for some. But we're going to take that head on & address it with sensitivity together because this information is pertinent for healthy living.

We'll have 5 meetings that will include both experiential learning & sometime in the kitchen preparing foods that support each cycle phase. (There will be a small fee to cover the supplies for the cooking portion.)

There is no age requirement for this class because the information is pertinent to girls whether or not they have started cycling. Parents are always welcome to attend & participate in our meetings - though please check with your daughter for her permission as well.

Project meetings will take place on Sunday afternoons from 2-3:30 on the following dates: October 16, November 13, January 22, February 26, & March 26. Call or text Kristen Gilster at 559.325.4045
