

Dear Youth Shooting Sports Leader-

Every Shot Counts®

Consistent with our deep commitment to training the next generation of hunters and shooters to be safe and proficient, we will offer a limited youth shotshell program to approved organizations. This is for ammo to be used in youth programs exclusively, and is not for resale.

We are accepting youth shotshell orders December 15, 2016 to January 15, 2017.

Applicants must have their local program listed on the Youth Shooting Sports Alliance Directory, <http://www.youthshootingsa.com/> (Submit New Program). It is free to register. Once YSSA has accepted you into the directory, print the directory listing (1 page) and *include that with the order*. It may take a day or two for a new registry to be accepted on the site.

Youth orders are capped at 120 cases total. Camps or large scale programs should contact jon.zinnel@vistaoutdoor.com for approval of larger orders.

Limited to approved youth shooting sports education organizations: 4H Shooting Sports, SCTP, AIM, Boy Scouts, FFA Shooting Sports, High School Shooting Sports Programs, Collegiate programs. Others reviewed on a case by case basis. One order per organization, no individual shooter orders.

If you are exempt from sales tax, you must include a sales tax exemption certificate. Otherwise you must pay the state and local sales tax rate based on the “ship to” address.

This is a pre-pay program, so the order must be accompanied by a check or we will need a phone number to call and collect credit card information before we ship.

There is no additional shipping charge, **but you are responsible for additional unloading fees (inside delivery, fork rental, etc.). Make sure your facility can handle receiving pallets (fork).**

Our goal is to deliver ammo through this program by mid March.
