

2024 California 4-H Horse Classic Show & Educational Contests
July 6 - 10, 2024

The California 4-H Horse Classic welcomes 4-H horse project members from across the state to compete at Brookside Equestrian Park in Elk Grove in the **state qualifier contests for Horse Judging, Hippology, Horse Bowl, Team and Individual Demonstrations, and Equine Public Speaking**. Participants have the opportunity to move beyond local and regional competitions, with top placing teams and/or individuals in the educational contests qualifying for the Western National Roundup in Denver, CO, in January 2025.

We invite you to join us as a supporter of this year’s event to ensure that dedicated 4-H horse project members will have opportunities to participate, expand their equine knowledge, and prepare for future competitions. Your gift will support youth social, educational, and team-building activities; event costs (including facilities rental, judge honorariums, and supplies); the purchase of awards (including belt buckles and ribbons); and to support the California 4-H youth team to travel to the Western National Roundup.

Yes, I would like to support the 2024 Horse Classic! *
