

A virtual event by Zoom
Airblast 2021: Optimizing Canopy Sprayers

Monday-Tuesday, March 29-30

11:00 AM-2:30 PM Pacific Time

2:00-5:30 PM Eastern Time

Co-hosted by

US/Canadian Spray Application Working Group and University of California Cooperative Extension

Register early! \$50 (USD) before March 22; \$75 (USD) on or after March 22

Register

Featuring recognized experts hailing from the U.S. and Canada, this unique nationally broadcast workshop, the first of its kind, aims to provide participants the knowledge and insight needed to assess and improve their own spray operations. Presentations will use a variety of air-assist sprayers used in a wide range of orchard/vineyard cropping systems. Audience interaction via Q&A sessions at the end of each day is welcome. **[Click to view the agenda](#)**

Applications are pending from:

British of Columbia Ministry of Ag
California Dept. of Pesticide Regulation: Applied for 6.0 Other
Michigan Dept. of Agriculture & Rural Development
New Hampshire Dept. of Agriculture, Markets & Food
Oregon Dept. of Pesticide Regulation
