

UCCE Master Gardeners of Amador County

Heritage Rose Garden Last Open Garden Day and Rose Sale

Saturday, October 19th

10 a.m. - Noon

Heritage Rose Garden

1334 Jackson Gate Road, Jackson, CA

Join the UC Master Gardeners of Amador County Heritage Rose Garden for their last Open Garden Day of the season.

Come see our fall-blooming roses. Many of our repeat bloomers are still putting on a show! Several of these beauties will be available for sale, but quantities are limited. Many native seeds, collected from the garden, will also be available for free, although a small donation will be greatly appreciated. Come early for the best selection (cash or checks only).

Volunteers will be on hand to answer questions, give tours and share their experiences.

Double up on the fun by visiting the 3rd Annual Community Harvest Party, hosted by the Mother Lode Land Trust, from noon to 6pm.
