

ENROLL TODAY

In 4-H, we believe in the power of young people. We see that every child has valuable strengths and real influence to improve the world around us.

The University of California 4-H Youth Development Program welcomes all youth ages 5-18. For more than 100 years, we have welcomed young people of all beliefs and backgrounds.

Through hands-on experience, kids gain a voice to express who they are and find ways to make their lives and communities better.
