

Request for Information for
N62473-17-2-005 Terrestrial Vegetation Program

April 24, 2017

General note: Deletions are noted with a strike through font. Additions are noted with a bold italic font. Of note, the page numbers within the statement of work may shift with the edits made causing the table of contents to be inaccurate. This will be corrected prior to award.

Question 1) May the requirements for the PI be split between two individuals or is it mandatory that a single individual have the three listed requirements?

Response 1) Yes, the requirements may be split between two individuals. Please see the revised statement of work and request for statements of interest that memorializes this change.
