

**AGENDA FOR WORKSHOP ON INTEGRATING  
CLIMATE CHANGE IN CALIFORNIA EXTENSION**

**February 6-7, 2018**

**Kearney Research and Extension Center, Parlier, California**

*Desired outcomes:*

- Provide professional development in climate science and communication
- Improve climate extension within UCANR, connect people working on climate change issues within ANR, build a climate change community of practice for California Extension
- Develop climate change extension priorities within each discipline/strategic initiative/program

**February 6, 2018**

- |                        |   |
|------------------------|---|
| <b>10-10:30am</b>      | <b>Welcome – goals and background</b><br>Ted Grantham, UC Berkeley  |
| <b>10:30-11:30am</b>   | <b><i>Climate change and cooperative extension: On the front lines in a warming world</i></b><br>Mike Crimmins, Extension Specialist, University of Arizona   |
| <b>11:30am-12:30pm</b> | <b>State of the state: Climate change in California</b> <ul style="list-style-type: none"><li>● <i>Climate change in California</i>, Tapan Pathak, UC ANR</li><li>● <i>Climate change data and visualization tools</i>, Maggi Kelly, UC Berkeley</li><li>● <i>Climate change impacts on human health and well-being</i>, Arnold Bloom, UC Davis</li></ul>   |
| <b>12:30-1:30pm</b>    | <b>Lunch</b>  |
| <b>1:30pm-2:15pm</b>   | <b>Lightning talks: Current projects in climate extension in UC ANR</b> <ul style="list-style-type: none"><li>● <i>Climate change solutions for California agriculture</i>, Jeff Mitchell, UC Davis</li><li>● <i>CalNat Climate Stewards Program</i>, Greg Ira, UC ANR</li><li>● <i>Nutrition and Family Consumer Sciences</i>, Anna Martin, UC ANR</li><li>● <i>Range: Voices from the Drought</i>, Leslie Roche, UC Davis</li><li>● <i>Climate change &amp; California forests</i>, Susie Kocher, UC ANR</li><li>● <i>Climate change, water, and ecosystems</i>, Ted Grantham, UC Berkeley</li><li>● <i>Climate change &amp; youth and families</i>, Woutrina Smith, UC Davis</li></ul> |
| <b>2:15-3:45pm</b>     | <b>Climate communication</b> <ul style="list-style-type: none"><li>● <i>State of the science (and art) of climate communication</i>, Faith Kearns, UC ANR</li><li>● <i>An overlooked part of communication: listening</i> - paired exercise</li><li>● <i>Learning from each other: True stories of climate communication in extension</i>, moderated by Faith Kearns and Susie Kocher, UC ANR</li></ul>   |
| <b>3:45-4pm</b>        | <b>Break</b>  |
| <b>4:00-5:00pm</b>     | <b>Open space break out groups: Interactive space for group discussion of emerging topics, partnerships, and collaborations</b>   |
| <b>5-5:30pm</b>        | <b>Report back/ discussion</b>  |

**5:30-6:30pm** Travel to hotel, check-in, and travel to restaurant

**6:30pm** Dinner at Cattlemens with interactive art project the [Bureau of Linguistical Reality](#)

**February 7, 2018:**

**Breakfast at hotel**

**8:30-9:30am** **Statewide climate change resources and connections**

- *A successful extension approach to climate change communication*, Nick Sadrpour, USC Sea Grant
- *USDA Climate Hubs: Bridging science and management to advance climate response and adaptation*, Steve Ostoja, California Climate Hub
- *California's Fourth Climate Assessment*, Guido Franco, California Energy Commission

**9:30-10am** **Break**

**10-11am** **Action planning by topical area: What can I do when I get home?** Participants organize by strategic initiative to discuss ways to structure work by identifying needs, resources, and barriers as a breakout group

**11-11:30am** **Report back**

**11:30am-12pm** **Next steps for the Climate Change Program Team and evaluations**  
Future professional development needs, information resources, etc.

**12:00-1:00pm** **Lunch**

**Workshop adjourned**
