

UC 4-H Presentation Program

2021 4-H Presentation Cycle

Virtual Presentations

Public speaking continues to be a cornerstone of UC 4-H. Due to the pandemic, regional and state 4-H presentation events will be held virtually in 2021. Learning to present virtually is becoming an important skill in the workplace. Youth will need to adapt their presentations to take advantage of the technology, including designing slides, keeping the audience's attention, and handling technology problems. The revised [UC 4-H Presentation Manual \(2020\)](#) offers tips for youth presenters on presenting virtually (page 11). Other significant changes include:

- Youth who earn a blue or gold award are eligible to progress from county to regional and regional to state.
- Costumes may be worn in all presentation formats. Youth should wear attire that is neat, clean, acceptable in repair and appearance.
