Registration Now Open: Prescribed Fire on Private Lands Workshop

November 5th and 6th, 2019

Central Sierra Historical Museum, 42642 Tollhouse Road
Shaver Lake, CA 93664

Workshop Topics:

- Permitting and legal considerations
- Cal Fire's Vegetation Management Program
- Fire weather forecasting and online tools
- Air quality and smoke management
- Prescribed burn associations
- Local fire history
- Fire terms and fire behavior
- Burn plan development
- Burn unit preparation
- Tools and equipment

This two-day workshop is being held in conjunction with the Southern Sierra Prescribed Fire Council annual meeting on November 6th/ 7th. The workshop is designed for landowners and managers looking to gain skills in prescribed fire planning and implementation.

The first day will consist of classroom lecture, instruction, and exercises. The second day will include a field trip to Southern California Edison's timberlands at Shaver Lake to tour lands actively managed with prescribed fire and take part in a prescribed fire, permit and weather allowing.

Register at <http://ucanr.edu/2019rxworkshops> by October 31st. The registration fee is \$30. Space is limited. For questions, contact Susie Kocher, sdkocher@ucanr.edu (530) 542-2571.

Workshops are funded in part by California Climate Investments, a statewide initiative that puts billions of Cap-and-Trade dollars to work reducing greenhouse gas emissions, strengthening the economy, and improving public health and the environment — particularly in disadvantaged communities.
