DESCRIPTION

The Ramona Ranch Winery, Resource Conservation District of Greater San Diego County and the University of California Cooperative Extension San Diego invite you to a field demonstration and discussion about vineyard conservation practices in San Diego county and nearby regions. Join in to learn about the California Certified Sustainable Winegrowers program, integrated pest management, climate change impacts, vineyard irrigation systems, soil health applications, water quality and solar energy.

Presenters Include:

Teri Kerns, Co-Owner, Ramona Ranch Winery

Mark Battany, Water Management and Biometeorology Advisor, UC Cooperative Extension

Dr. Ali Montazar, Irrigation and Water Management Advisor, UC Cooperative Extension

Dr. Carmen Gispert, Area Viticulture/Pest Management Advisor, UC Cooperative Extension

Joel Kramer, Regional Agricultural Specialist, Resource Conservation District of Greater San Diego County

Dr. Esther Mosase, Climate-Smart Agriculture Community Education Specialist, UC Cooperative Extension
