

**Composting Education Program
Volunteer Monthly Meeting Minutes
Saturday June 15, 2024, 11:15a to 12:15p**

I. June Recognition:

Patrick Lundquist: Patrick has stepped up to help not only with the CSU students quarterly, but is also watering our new trees twice a week and coming to Wednesday workdays until he gets a new job

II. Group Discussion: Is Sheet Mulching in your yard harmful to worms?

Not much discussion due to a lack of attendance, but consensus was that it is great for the worms since they love cardboard

III. Sign-Ups: Community Workshops & Community Events

Tabled until August meeting

IV. June 20 – IT Presentations

All are invited to attend CEP IT Final Project presentations on Zoom June 20

V. June 22 IT Graduation

Mentors and Trainees will have graduation ceremony on June 22 with Final Project presentations by those who don't do theirs June 20

VI. 1st Tuesday CE will resume in July, discuss possible topics:

VII. Topic for September 7 Workshop: Hot Pile Building or DIY Worm Bin build??

No July meeting. Volunteer Recognition and Appreciation brunch July 20, location TBD based on RSVP (MCP or the Office)

In Attendance: Nathan, Russ, Janet, Jenel, Victoria
