

Composting Education Program Volunteer Monthly Meeting Saturday May 18, 2024, 11:15a to 12:15p

April/May Recognition:

Laura M and Mint P. for their dedication to our virtual [workshops](#) this year

Reappointment for 24-25:

All hours need to be entered into the [Time Sheet](#) before the end of May for Reappointment

Reappointment begins June 1, ends June 30. Some categories have been removed.

Presentation:

Marilynn gave a talk about a non-lethal method of rat and mouse prevention in your yard.

Logo Wear & Name Badges:

May 19 is the cutoff to add hours for last year's eligibility for swag

Need to ask Maria G for Apron selection for June meeting.

Sign-Ups: Community Workshops & Community Events:

SCC Fair has several shifts to [sign up for](#), these are PY 24-25 hours

MCP Fall Festival is October 5, will table in the MG parcel again?? Watch email for details.

June 1- IT field Trip to Taylor Street Farms:

Trainees & Mentors only?? Will announce via email for veteran volunteers.

June 20 – IT Presentations, 7:00p to 8:00p:

All are welcome to watch, 5-10 minutes each on [Zoom](#)

June 22 IT Graduation, time TBA, In-person at Martial Cottle Park:

All are welcome to attend Graduation, RSVP will be announced and required.

About ½ the trainees will be presenting before we hand out certificates and eat

It was also suggested that Trainees give their full Final Project presentations over the summer in the MM's.

Hands on:

CFT needed food and paper, we also added a fine layer of the dehydrated material from Loaves & Fishes over ½ of the system to see how it reacts and how the worms react to it. We will check it each Wednesday. We will also pull at our next meeting and sort worms Marilyn style.
