

**Experiential Learning Workshop: Level III: (*Advanced Training*)**

*Developing and Adapting Curricula to Integrate Experiential Learning*

Post-Workshop Survey

I have participated in the following Experiential Learning Workshops (circle all that apply):

- a) EL I (introduction to Experiential Learning and the Learning Cycle using the shoe-tying activity);
- b) EL II (introduction to inquiry-based learning using the *Hike to Lonely Lodge* activity); and/or

1. I would rank my knowledge of inquiry-based learning **prior** to this workshop as (please circle one):

Poor            Fair            Good            Very Good            Excellent

2. I would rank my knowledge of inquiry-based learning **after** this workshop as (please circle one):

Poor            Fair            Good            Very Good            Excellent

3. Based on what I learned today, I feel confident in applying inquiry-based instruction to activities in my Program? (Please circle.)

Yes            No

Please explain.

4. I would rank my knowledge of the learning cycle **prior** to this workshop as (please circle one):

Poor            Fair            Good            Very Good            Excellent

5. I would rank my knowledge of the learning cycle **after** this workshop as (please circle one):

Poor          Fair          Good          Very Good          Excellent

6. I would rank my knowledge of the curriculum design **prior** to this workshop as (please circle one):

Poor          Fair          Good          Very Good          Excellent

7. I would rank my knowledge of the curriculum design **after** this workshop as (please circle one):

Poor          Fair          Good          Very Good          Excellent

8. Based on what I learned today, I feel confident in applying the backward design method of curriculum development in my Program? (Please circle.)

Yes          No

Please explain.

9. I learned useful information in today's workshop. (Please circle.)

Yes          No

Please explain.

10. I will apply what I learned in today's workshop in my Program in the following way(s):

11. The expectations I had of this workshop were met.

Yes            No

Please explain.

12. I have had previous training that has covered some or all of the main concepts presented today. (Please circle.)

Yes (all concepts)    Yes (some concepts)                    No    (none    of    the concepts)

If yes (all or some), please explain.

***Please answer the following only if you have attended all three EL Trainings:***

13. I believe that having participated in the series of three experiential learning workshops has enhanced my abilities to apply this model of instruction to activities in my Program.

Yes            No

Please explain.

14. As a result of your participation in this workshop, what, if any, new possibilities or opportunities do you see in your role as an educator.
