

CalFresh Healthy Living, University of California Mural and/or Stencil Project Request

INSTRUCTIONS: Please complete this form in its entirety and return to your CalFresh Healthy Living, University of California (CFHL, UC) [State Office Contact](#) for review and approval. Services may not begin until you receive written approval from the CFHL, UC State Office. The CFHL, UC State Office needs 3-4 weeks turnaround time to provide feedback on your request. Additional time and documentation is needed if working with a contractor (refer to [PART 3](#)).

Expectation Checklist:

- The site must be trained in CATCH prior to submitting a stencil request. Please contact the State Office for training requests or further information. **Requirement:** Attach copy of sign-in sheet for verification of training in CATCH.
- Murals or playground stencils will include and promote healthy behaviors related to nutrition education and physical activity and how these integrate into a comprehensive school approach including educational components.
- There is administrative, teacher, student, and parent buy-in and participation.
- Development of mural or playground stencil projects should include input from students or youth in the community.
- Draft sketch of the proposed projects will be shared with your [CFHL, UC State Office Contact](#) and the CFHL, UC State Office.
- Before and after photos of the project site and quotes from students and teachers will be shared with your CFHL, UC State Office Contact and the CFHL, UC State Office.
- Services **may not** begin until you receive written approval from the CFHL, UC State Office.
- Please submit your completed Project Request, Estimated Cost Worksheet and any necessary attachments to your CFHL, UC State Office contact for review and approval.
- CFHL, UC County Programs who are using their allocated county funds or non-SNAP-Ed funds will still be required to complete the Mural and/or Stencil Project Request Form.
- Requirement:** Completion of pre/post playground stencil assessment tool will be required for any new stencil projects.

***Please DO NOT use water-based paint as it will fade very quickly. It is recommended to use oil-based or asphalt paint that should last 3-5 years with touch ups.**
