

Ranching for Profit Workshop

Saturday, April 20th, 9:30am to 1pm

Central Market 42 Petaluma Blvd. Petaluma, CA 94952

RSVP to rmc@ranchmanagement.com or 707-429-2292

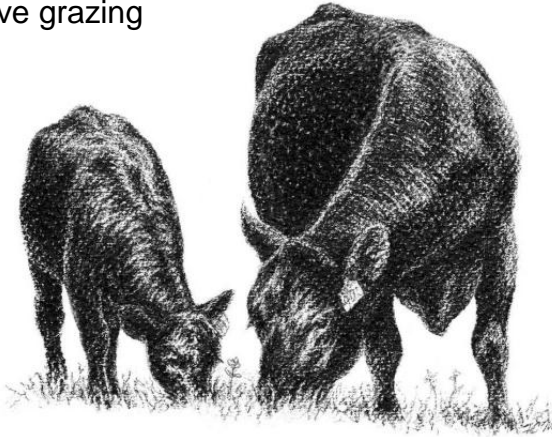

\$20 per person

Presented by Dave Pratt, Ranch Management Consultants

Ranch Management Consultants has a 31 year track record helping ranches move into profitability and sustainable ecological management.

This workshop will cover topics of economics, ecology, management intensive grazing and building more effective management teams on the ranch.

Dave Pratt delivers a dynamic program full of practical ideas that will leave ranch owners and ranch hands energized with new tools to improve their business.

“I realized that in order to become a great company that it would have to act like a great company long before it ever became one.”

- Tom Watson, IBM Founder
